ABOUT MEGAN STARR

MeganStarr.com chronicles the travels and adventures of an American throughout Europe and the world. With journeys ranging from Svalbard to Kazakhstan, Megan has gained the reputation of being one of the top blogs and reference points for travels and life in the Nordics and the post-Soviet countries. She also likes to incorporate her passion for craft beer and specialty coffee into her site and this has resulted in partnerships with various brands and media outlets, including the Travel Channel and National Geographic.
